

AERIAL TECHNOLOGY SERVICES

Aerial Technology Services can take your real estate to new heights! We offer aerial photography and videography services which can be tailored to your specific listing. Our services provide a new and unique way for Realtors to market their listings.

- Ability to showcase a listing from numerous angles and different elevations
- Allows you to show where your listing is in relation to parks, retail outlets, schools, and other points of interest
- Stunning HD video provides your clients with a beautiful panaramoic view of the property
- Great for showcasing large scale properties
- Fast and flexible turnaround times that work for you

The following pricing is specific to Snyder Strategy Realty, Inc:

Residential and small free standing commercial properties:

- Photo Package consisting of 10-15 aerial stills - **\$180**
- Photos and fully edited HD video - **\$270**

Large commercial properties have job specific pricing.

Drive Time:

- 40 minutes roundtrip included in pricing
- Additional drive time is billed at \$1 per minute

Estimates available upon request. Please visit our website at www.aerialts.com for additional content and our contact information.
