MARKETING MASTERY

Quick Review: Homework training session for review of Expireds & Fsbos

EXPIRED LISTING FORMULA:

**Show what went wrong // Show how you will Fix it,
Show Your Marketing // Show Selling Proof of Results**

When you send a letter and or talk to an Expired, you MUST ALWAYS use this formula, because the expired wants to hear this strategic plan. Remember an Expired did not sell their house in their last contract with a Realtor. Something went wrong and they want to know if you know what went wrong. An Expired wants you to show them their previous expired marketing and how you will fix it. **YOU MUST BE THE EXPERT.**

- 1)** What went wrong (complete review of their past marketing) and step by step evaluate the mls, property description, technology used and the evaluation of Custom Features & ReSale Value
- 2)** Show the expired, how you are going to fix all of these issues, using your expertise and the Snyder Strategy System
- 3)** Review the entire Listing/Buying (if they are buying) Presentation and show how Snyder Strategy system will place their house in the best possible position to sell their house in a timely, smooth manner for the highest sale price
- 4)** Clearly show past mls documents to show how houses were sold by you in a timely manner and by Snyder Strategy Realty, Inc.
- 5)** Give the Countdown to Closing Booklet and Listing Flyers

Mentor Training Program *SELLING with CONFIDENCE*

Fsbo Listing Formula:

An EVENT, Build a Relationship / Give Gifts of Knowledge / Shift Power of Relationship to You Wait for Invitation to Interview // The EVENT Happens

Simulate You are their Listing Agent and showcase your skills. They are evaluating you presentation skills and expertise, Walk Through the house as if you are on a Listing Appt.

DO A STOP BY TO REVIEW HOUSE AND GIVE COUNTDOWN TO CLOSING BOOKLET AND OTHER INFO. Call and ask to **Preview House**, walk the house as you would for a listing presentation, show case your skills and offer help. Give the **Countdown to Closing booklet**, ask to send via email copy of tax record and Request information on Fsbo house: their email and phone number.

With every Fsbo, **there is an Event** that is taking place in their life that may come to fruition within the next several days or next several months or up to years. You must understand the Fsbo's motivation & goal on waiting for this Event to happen. This could be a sick relative, health issues, wanting to retire, can't afford the payments because their job is being eliminated, etc. Once you understand this, you now will apply your formula.

When you call a Fsbo, you will call to build a relationship and ask them if they would like a Seller Buyer Guide, CMA, Purchase Agreement contracts, tax records. Just one document per phone call. You then ask them **if you have a buyer will they pay for your commission**. They will probably say yes. Ask them about their property, the price, square footage, and the custom features and resale value of their home. Compliment them on trying to sell their house. The Fsbo at this point will make it clear to you, they do not want to list with a Realtor. Simply acknowledge this and state, **"I understand"** Then ask them if they would like information & send by email. You must ask the Fsbo if they want a certain document, and require of the Fsbo to say yes.

You then say thank you and you will call them at least every 10 days to find out if there are any changes with the price or anything else. At this point, the Fsbo will reiterate he will not list with a Realtor. You state, **"I understand."**

Then you state:

Ask to LIST THE HOUSE in the event he/she decides to list with a Realtor,; Explain about our Superior Selling & Buying Technology and your expertise. **Every phone call build the relationship and show them how you will be as there agent**

"Market & Broadcast on Every Part of Your Business"

Mentor Training Program ***SELLING with CONFIDENCE***

You now have a working relationship and are **Building on the Relationship**. By giving them **Gifts of Knowledge** every 10 days, you are solidifying your relationship and introducing your marketing to them and showcasing your skills. By requiring the Fsbo to answer yes to receiving these Gifts, you are **Shifting the Power of the Relationship** to you, without him realizing it, and they are becoming more endeared to you and you are the becoming and showing them you are the expert. Over time you will talk in this manner and slowly probing for what the Event is and when the event happens, and then the Fsbo must sell very quickly and hire a Realtor.

WHEN THE Fsbo calls you, Listen closely, because **the EVENT** has taken place and they are wanting something from you, which is to interview you to possibly list with you or the Fsbo will out right hire you, because you helped them by providing information.

OPEN HOUSE:

however if you live in the subdivision and you should list a house in the subdivision to get to know your neighbors. Need to go all out with ballons, flyers and bring laptop for quick cma to provide to the neighbors.
